# The **Bellrock**

*Beyond Fish & Chips*

# Our Story

The Bellrock is a long established, family-owned fish and chip shop, proudly serving the locals and visitors of Arbroath, Scotland.

We serve a variety of delicious golden crispy fish suppers, authentic Italian pizzas, flaming grilled burgers and much more.

## Why our Fish & Chips are the best

We use Premium Palm Frying Oil (Filtered twice daily) for freshness  
We source the Finest Premium Potatoes Available, for Tasty Fresh Cut Chips  
We Source the Highest Quality Fish available, never sacrificing on quality  
We batter to Perfection, serving the highest quality, most mouth-watering  
Fish & Chips around!

## Exclusive and famous Items

The Bellrock Smokie, Spicy Fish & Masala Fish.

People travel from near and far to try these and this was all invented inhouse!

We were the first ones ever to batter the famous Arbroath Smokie and it remains exclusive to us.

## Our Food - Secret to Success

We at The Bellrock believe the key to our success is not only helpful and friendly service, but high-quality produce.

The entirety of The Bellrock's menu is made from fresh ingredients which are artistically prepared by master chefs – from desserts to main dishes.

None of this would be achievable without our outstanding staff.

Some of our core staff including our chefs, fryers & waitresses have been with us over ten years so they're very experienced and amazing at what they do.

## Our Lunch-time Buffet

We are often told that we are the only restaurant in Scotland that do a Fish and Chip Buffet!

Our buffet is great for everyone and proves to be very popular especially during holiday seasons.

We have Something to suit everyone from Battered Haddock and Spicy Fish to White Pudding, King Rib, Sausage and more.

# Our Story

## Beyond Fish & Chips

The Bellrock is more than just a restaurant and takeaway. We do and will continue to support our local community by donating and sponsoring as many local causes as possible.

A few examples of past sponsors and donations;

The provision of kits for 'Boys Under Ten Arbroath Community Sports club Football team'

Forfar Farmington football club girls' team

RNLI

Dundee Charity Week

And even recently donating an Advent calendar to every pupil at Lady Loan Primary School next door

We have also supported TayFM Cash for Kids for the past few years and plan to continue supporting them as the money raised has a direct local impact on the Tayside & Angus community.

## Future Plans

We have recently been working with architects and the council to develop and add to this Famous landmark. This has been in the process for a good few year and will take a while to put into action- stay patient!

Keep an eye on our Facebook & Instagram page for updates.

## Our History

We were known as "The Bervie Chipper" in the early 2000's

In December 2004 The Bervie Chipper in Arbroath was taken over.

As the Bervie chippers are a chain which were all sold, it was decided to stand out from the crowd and change the name back to its original name The Bellrock in 2006.

In December 2016 the owner wished to retire after 10 years of ownership and sold.

Although it has recently changed ownership, the original owner of The Bellrock, a family friend of its new landlords, still comes in regularly to make sure things are in order!

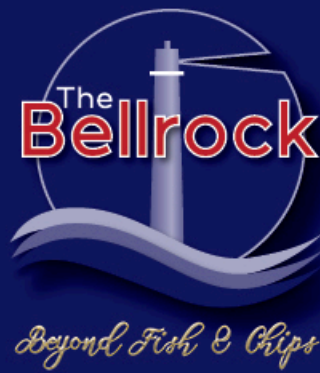

## Awards

For a long time, we were the only fish and chips business to hold the Sea Fish Quality Award coming in the top 5 in the whole of Scotland.

Our efforts have helped us earn much more considerable prestige.

We hold a TripAdvisor Certificate of Excellence, were named as Tay FM's Chip Shop of the Year, Scottish Enterprise's Award for Fish & Chip shop of the Year and Restaurant Guru's Award for Best Fast Food and much more!
